Friday 1st December

## Weekly Newsletter

Children who had achieved 95% attendance and over were rewarded with a trip to Chester Zoo.

Lots of fun was had, the children especially liked the monkey house and going through the bat cave! The children had a lovely packed lunch in the hut and then had some free time on the adventure playground. Attendance is key to your child's education and we hope parents and children will strive to improve our school attendance figures.

Key Stage 3 (Mulberry, Redwood & Rowan) girls are allowed to wear black trousers instead of a skirt if they wish.

Feedback from this week's Share Group, where Community Champions from Tesco attended:

- Did you know that Tesco Prescott store has three trolleys available for bigger and older children, they are located just inside the main entrance on left hand side.
- There is also a disabled toilet located upstairs by Claire's accessories, just ask staff for the key
- **Paw Patrol characters are at Tesco Prescott this Saturday 2nd December from 11—1pm.**
