Friday 16th 2017

What a busy and fun filled week we've had!

KS3 and Year 6 attended their Residential to the Children's Adventure Farm Trust. Lots of activities took place such as painting cars, sports activities, scavenger hunts and feeding the animals. All pupils and staff had a great but tiring time!

Blossom 2 Class had a lovely day trip to Acorn Farm and got to meet lots of the lovely animals. They enjoyed feeding them lots of yummy food. They had lots of fun on the adventure playground and went on a woodland walk.

Mulberry class have been creating scarecrows as part of their Design and Technology curriculum. This term our art students are focusing on brightening up our outside area.

Well done to classes Mulberry and Chestnut who have achieved 100% attendance this week.

Lennon, who was the school winner from the Dot Art competition, his art work will be displayed at St Georges Hall from today until 1st July.

Eligible children have been invited to the Children University Graduation event on 21st June. Parents are also welcome to attend.

Please complete and return parent questionnaire as your comments and feedback are valuable to us.

Please ensure that your child is wearing the correct school uniform (including ties for KS3) and suitable black footwear must be worn at all times. Please ensure your child comes into school with a cap and sun cream on.

If your child is receiving breakfast / snack, please ensure that you send in £1 snack money each week or £6 for the term.

Dates for your Diary:

| | | |
