This week Class Rowan started a block of cycling sessions at the Halewood Environment Centre. The whole class have started to work on what it takes to lead a cycling session, do a safety check on the bikes and how to communicate effectively when out in a public space. Everybody had a fantastic first session and are looking forward to next week.

### Well done classes Chestnut and Maple who have achieved 100% attendance this week!

As you can see our overall school attendance has fallen below our school target percentage of 97%. Please ensure your child attends school everyday as your child's education is important and every day counts.
