

SPORTS PREMIUM GRANT Planned Expenditure for September 2013- July 2014

The Government has recently introduced funding for physical education and school sport (PE). This funding is called School Sports Premium Funding and was allocated to schools from October 2013. The amount schools will receive will be calculated by the number of primary aged pupils (aged of 5 and 11) on school census day in January 2013. Schools will receive a lump sum of £8,000 plus £5.00 per pupil.

This funding must be used to fund improvements to the provision of PE and sport, for the benefit of pupils aged 5-11 years old, in academic year 2013 to 2014 so that all pupils develop healthy lifestyles.

Currently, Central has links with Knowsley Schools Sports Partnership and over time have commissioned highly skilled specialist coaches in gymnastics, boccia, football, yoga, dance, judo, wheelchair basketball and other multi sports.

The funding will further enhance competitive sport and skill up our teaching team in delivery of high quality PE lessons.
