

SPORTS PREMIUM GRANT

Review of Expenditure for September 2014- July 2015

School Sports Premium Funding continued to make an impact in physical education for our primary children at Knowsley Central School. The government sport funding for the academic year supported many projects. The amount we received was £8,300 which we spent on improving the provision of sport and PE so that all pupils developed healthy lifestyles.

At Knowsley Central we have links with Knowsley Schools Sports Partnership and over time have commissioned highly skilled specialist coaches in gymnastics, boccia, football, yoga, dance, judo, wheelchair basketball and other multi sports.

The funding further developed PE provision, enhanced competitive sport and supported our teaching team in delivery of high quality PE lessons.
