## Weekly Newsletter

Friday 25th May 2018

### After school Clubs start back on Tuesday 19th June

#### Attendance

We would like to recognise Class Redwood who have achieved 98.9% attendance for this summer half term followed closely by Class Chestnut at 98.3% Well done, please keep it up!

However, as you can see our overall school attendance this week is RED and very low.

Parents please be reminded that children are not permitted to take holidays in school term time and will be classed as an unauthorised absence.

#### General Data Protection Regulation (GDPR)

The GDPR aims to strengthen the protection of personal data. We are currently working with our local authority on ensuring our ongoing compliance across the six data protection principles.

The new GDPR comes into operation on 25th May. We recognise that GDPR compliance is not about a specific date but a commitment to an ongoing process. Further details will follow.

#### School Council News

This term the School Council have been looking at ways they could help around school.

After a group discussion, they decided to become Play Ground Leaders. They have planned a variety of different activities for Key Stage one in school. The team even carried out their own research by asking the teachers and children what activities they enjoy. They then made notes and presented their findings back to each other.

#### Prince William Award

The pupils from Rowan and Redwood have been progressing really well in the Prince William Award. This week we put together our own camping stoves and made hot chocolate and chicken noodles.
