Educational Trips

Juniper World of Glass

Class Juniper had a wonderful trip to The World of Glass. We learned about life in a glass factory in the Victorian times and we had a tour of the museum and the factory tunnels. We also watched a glass blowing demonstration and painted our own glass to take home.

Mulberry Liverpool City Centre

Class Mulberry enjoyed a day out in Liverpool city centre as part of their history topic of 'Liverpool'. The children went on a sight seeing open top bus tour of the city, as well as spending time at the pier head and metropolitan cathedral. Everyone had a fabulous time and it was a great day.

Knowsley Central School strike GOLD for the 3rd year in a row!

SCHOOL GAMES

We are delighted to announce that we, Knowsley Central School, have achieved the School Games GOLD Mark Award for the 2017/18 academic year.

The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Our sporting achievements this year include:

Knowsley and Merseyside KS2/3 Boccia Champions
Knowsley and Merseyside KS3 New Aged Kurling champions
Merseyside KS2 Football champions
Merseyside Swimming championships individual winners
Merseyside Athletics individual winners

With a total of 51 young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to:

Everyone for supporting PE and School Sport this year, the criteria was much tougher this year and we wouldn't have achieved it without students and staff working together in PE lessons, after school clubs, wake up shake up, supporting coaches and sporting competitions.

We look forward to applying for PLATINUM in 2019!
