16/07/20

Dear Parents / Carers,

We made it! This has truly been a year for the record books. In some ways, it has been the most memorable year of our lives and in others it has been one of the most challenging.

I sincerely know how challenging this period has been for the families, pupils and staff in our school community and I thank you all for your support throughout these uncertain times. Your understanding and support is what makes Knowsley Central School such a wonderful school to be part of.

As tomorrow Friday 17th is our final day in school for pupils, I wanted to reiterate how truly grateful we are for all your efforts during the last 4 months by supporting both remote and face to face learning in school. We are humbled by what you have done at home and we look forward to being together again in the near future.

With the new academic year in mind, please take notes of the start dates below for each group of children:

- Group 1 pupil cohort: Wednesday 2nd Sept.
- Group 2 pupil cohort: Thursday 3rd Sept.

To all the pupils who will be leaving us this year, we are going to miss you all! Thank you to those of you who were able to visit us in school during the week to say goodbye. Tears of pride were shed as we reflected on past memories in school and it's been a pleasure to be part of each pupil's journey since they joined our school community. We are so proud of all of your achievements and I wish you the very best in your new schools. You will be brilliant!

To all the pupils and families who will be joining our school community this year, we're all so excited and cannot wait to see you in September. As you know, due to the current COVID-19 guidelines, we've not been able to provide a transition period for each pupil joining us. That said, please be assured that we will be using the autumn term to support all our pupils' transition back into school and we will work closely with all our families to make sure we make a great start to the new academic year.

Once again, like every year I want to say thank you for all your efforts in supporting Knowsley Central School. We look forward to seeing you again in September for what will no doubt be another incredible school year.

"Everyone is a star and can shine in our learning community"

Have a lovely relaxing summer and stay safe.

Mr. Daryl McConnell
Headteacher
