

How you can help your child at home:

Hi, here is a little breakdown of what we have planned for this Autumn term. We are really excited to begin to get back into class routines and work hard. So far the children have made a great start to the new school year and have been so happy and excited to get back into the classroom, which is amazing to see. Our curriculum theme this term is 'I Belong' we are going to focus this theme around a book and we have chosen 'The rainbow fish'. Which is all about being kind to one another, helping our friends and belonging to a group such as our family, school and friendship groups. There is a lovely read along story on YouTube if you wish to watch it with your child as a bedtime story this would be fantastic and really help them to become familiar with the story. Here is the link <https://www.youtube.com/watch?v=QFORvXhub28>

<p>Communication and Language</p> <ul style="list-style-type: none"> Assess and set targets for speech and language To begin to sit and attend short sessions in class Learn & develop our phonic sounds Join in with simple songs and repetitive phrases Will begin to follow simple instructions in class with support Learn our friends names & our new teachers Develop our understanding of visuals Use and be confident with visuals e.g. Pecs, communication boards & Makaton signing 	<p>PSED(personal, social, emotional development)</p> <ul style="list-style-type: none"> To settle into their new classes and become familiar with new staff To explore different areas around the school that is new to them millennium garden, light room and trampolines To attend good morning sessions and express their emotions of how they are feeling To explore activities with peers Begin to take care of one another Being to initiate play and activities of their choose To be role models for their class friends and younger children 	<p>Physical Development</p> <ul style="list-style-type: none"> Attend and participate in sensory circuits To take control of what physical exercise they would like to complete Sensory soft play sessions Develop fine motor skills Strengthen hand grip and problem solving skills To access outdoor provision to develop physical abilities
